May 2021

Presidents Report – May 2021

Hello All

It is good to see things are getting back to normal. We had our second general meeting on April 17th. There was a good attendance at the meeting and we were all Entertained by Allan Game.

Allan demonstrated how to make a balustrade from the setting up to the finished product (and what a beautiful job it was). Everyone was engrossed in the demo and would have got a lot out of Allan's demo.

I will take this opportunity to thank Mike and Allan for their efforts in producing the five balustrades that the club was commissioned to produce by a member of the public. Well done guys.

While thank you's are the order of the day I would like to give a special thanks to Andy for the great work he has done with our website. I recommend you all to take a look at our website you will be pleasantly surprised.

Thank you Tom Fox for your mammoth effort in preparing the paperwork and conversing with authorities in securing our \$9000 grant to purchase some new equipment for the club operations.

The next general meeting is on the 1st.of May and on the first Saturday of the month from then on.

John Cossey will be giving a demonstration on multi centre turning with a possible workshop following his demonstration.

The Thursday open days are well supported and member's use the equipment and discuss techniques and also fix the world's problems while enjoying a cupper.

There are a few pieces of equipment for sale at great prices see the turning chatter or speak to Clive Lyle for details.

In mean time stay well keep turning and support this great club.

Regards Bill
